1. **P.R.I.M.E. Finance Asia Conference**

In December 2020, we held our first Asia Conference. Covid-19 prevented us being in Singapore in person as we had originally planned, but we were pleased to be able to substitute a virtual experience.

The Asia Conference featured 16 speakers, including 11 P.R.I.M.E. Finance experts from the Asia-Pacific region, and was organised by a team of P.R.I.M.E. Finance experts located in Tokyo, Hong Kong, Singapore, Sydney, Auckland and New York. The theme of the conference was disruption and disputes in a changing world, and although the conference was held during the Asia-Pacific day, the issues addressed were of global relevance. Consequently, the sessions attracted hundreds of registrants from not only the region but also from all corners of the globe. Many watched the sessions as they were presented and many others have watched the recordings subsequently.

Adrian Orr, Governor of the Reserve Bank of New Zealand, Edwin Tong SC, Singapore’s Second Minister for Law, and Justice Anselmo Reyes of the Singapore International Commercial Court gave keynote speeches.

Many thanks to the members of the Asia Conference Steering Committee, our speakers and our sponsors - global law firm sponsor Clifford Chance, DTCC, LCH, Rutter Associates and session sponsor Burford Capital. We appreciate your support!

Recordings of all sessions are available [here](#).
