WORDS OF WELCOME FROM ROBERT G. PICKEL, CHAIR OF MANAGEMENT BOARD, P.R.I.M.E. FINANCE FOUNDATION

Dear P.R.I.M.E. Finance Experts and Distinguished Guests,

The Irish have a saying for it. “Cead mile failte.” A thousand welcomes. Here we go.

Welcome to our tenth annual meeting, our first after three and a half years. Whether it is your first time with us or your tenth, we are glad you are here.

Welcome to each and every one of you personally. We appreciate you taking the time from your busy schedules to travel from near and far to this beautiful corner of the world for what we are confident will be a very interesting and stimulating couple of days.

Welcome back to the opportunity to meet and interact in person with each other and with members of our Management and Advisory Boards, and our impressive group of Experts and speakers. On-line interaction is not personal interaction.

Finally, welcome home. The Hague has been our home now for over ten years. We truly feel at home here, and I know that many of you do as well. Through the depths and the uncertainties we all experienced during the pandemic, the one question we heard most often was, “When is P.R.I.M.E. Finance going to return to The Hague?” You no longer need to ask.

Well, that may not be a thousand welcomes, but we know that one of the charms of the Irish is that they are a bit prone to exaggeration!

Over the past three-plus years that we have not been able to convene in The Hague, we have continued to advance the mission of P.R.I.M.E. Finance. Through the leadership of our Management Board, the support of our Advisory Board, the engagement of our Experts and, above all, the energy and commitment of our Head of Secretariat, Camilla Macpherson, we have faced the challenges of the pandemic and come through it stronger and more relevant than ever.

At this gathering, you will hear about all of the following and more:

• our Expert fora (which provide the backbone of this annual meeting);
• our project with the International Finance Corporation to foster the growth of derivatives markets in developing countries;
• the continued expansion of our panel of Experts, including a growing list of insolvency experts;
• our first ever annual report, which also highlights the many accomplishments in our first decade; and
• our PRIMEtime offerings and conferences in new locations (London and Singapore).
To stay the course and, just as importantly, to take us in new directions, we need your support. Our Friends of P.R.I.M.E. initiative is the way you can help us. You can find out more about Friends of P.R.I.M.E. Finance in this brochure or by scanning the QR code below.

We are grateful to the support of our conference sponsors, to the involvement of our many speakers and to the hard work of our small, very capable staff, including five U.S. law students who are working with us this summer. From our Experts to our Boards to our staff to our conference speakers and attendees, we have always been fortunate to have people of the highest caliber driving P.R.I.M.E. Finance forward.

Enjoy your time with us in our home.

Yours sincerely,

Robert Pickel

WORDS OF WELCOME FROM JEFFREY GOLDEN KC (HON), CHAIR OF ADVISORY BOARD OF THE P.R.I.M.E. FINANCE FOUNDATION

Dear P.R.I.M.E. Finance Experts and Distinguished Guests,

Many of you reading this message, and particularly those of you who have attended past P.R.I.M.E. Finance Annual Conferences, will almost certainly feel as I do – excited, excited to be gathering in P.R.I.M.E. Finance’s institutional home at the Peace Palace here in The Hague, excited by the reputation and almost ‘spiritual’ experience of this event as a source of high-level information exchange among thought leaders sharing an interest in effective financial market dispute settlement.

I am delighted that you can be with us for this, our tenth, Annual Conference. Delayed as this conference may have been by the havoc the pandemic caused, this programme brochure and the listing in it of the contributing participants illustrate the strength of our organization coming out of that period and the continued distinctiveness of this reporting-out event.

As I wrote in our recently published Annual Report, there have been many new developments at P.R.I.M.E. Finance since our last meeting here that are particularly gratifying: the continued growth and diversification of our experts panel; already award-winning with in-person programming on 5 continents, the expansion of our judicial training to include remote “virtual” sessions; the contribution of our recently formed expert fora to our database and PrimeTime broadcasts; publication of our revised Arbitration Rules; and importantly, the ambitious capacity building project currently being undertaken with the World Bank Group’s IFC.

Some of these developments have been truly amazing. It certainly has been very gratifying to watch the project go from strength to strength.

The Panel now numbers more than 250 experts in total with more than 7,000 years in the aggregate of relevant market and legal experience. And as you will hear from many of them in the course of this event, the services of our experts continue to be much in demand in various roles, including as arbitrators, as mediators and as expert witnesses.

Our offering continues to be bolstered by the Cooperation Agreement that P.R.I.M.E. Finance concluded with the Permanent Court of Arbitration in 2016. We are very proud of our home in the Peace Palace, but not least because of the depth and credibility that the PCA’s talented lawyers and case managers bring to the administrative quality of our arbitrations. We are also glad for the renewal of our PCA relationship with the PCA’s new Secretary-General joining our Advisory Board.
We have seen too a marked and gratifying increase in contributions from the group of individuals whose donations preserve our independence and show these donors to be true “Friends of P.R.I.M.E.” Do think about joining them. And while we cherish our independence, the growing number of cooperating entities (listed elsewhere in this brochure) from around the world with which we collaborate is a true source of further encouragement.

Most importantly, I would also very much like to add my personal thanks to our experts – our greatest resource – for their contribution as well as the pro bono spirit that has been their motivation.

So welcome to the Peace Palace and our 2023 Annual Conference. If you need to be reminded why you are here, just look about you. We shall all be keeping some terrific company over the course of the next two days. Let us take full advantage. By putting our heads together, the aim should be to share knowledge and think creatively about ways in which P.R.I.M.E. Finance can help advance legal certainty in the financial markets and better ensure correct and fair outcomes when disputes arise.

It promises to be a wonderful event, and your attendance and support for it are truly appreciated.

Yours sincerely,

Jeffrey Golden KC (Hon)

P.R.I.M.E. FINANCE - ABOUT US

Mission

P.R.I.M.E. Finance is the Panel of Recognised International Market Experts in Finance, an independent, not-for-profit foundation based in The Hague and established in the wake of the 2008 global financial crisis. Its mission is to reduce legal uncertainty and systemic risk by ensuring that the requisite expertise is available to anticipate and address any disputes that may arise in the financial markets. Its goal in doing so is to foster financial market stability and confidence in, and a more settled and authoritative body of law for, world finance.

P.R.I.M.E. Finance’s traditional focus has been on issues arising in relation to industry standards (e.g., documentation, market practices, valuations) for derivatives and other complex financial products. Now, with the growing interest in areas such as sustainable finance and financial technology, P.R.I.M.E. Finance also aims to anticipate how disputes may arise in these and other emerging areas of the financial markets and consider how it can best address them.

Activities

P.R.I.M.E. Finance’s core activities are:

i. building capacity in developed and developing countries to better understand capital markets and financial contracts through judicial training and education and outreach to market participants and regulators, working with other organisations that share this focus
ii. dispute resolution services, including arbitration, mediation and facilitating the engagement of experts to serve as expert witnesses or advisers. Arbitrations under the P.R.I.M.E. Finance Arbitration Rules are administered by the Permanent Court of Arbitration;
iii. providing continuing education through conferences and webinars; and
iv. maintaining a central database of international precedents and source materials, with the support of LexisNexis.

Vision

P.R.I.M.E. Finance’s vision is to be a centre of excellence, dedicated to promoting a more sophisticated approach to financial market dispute resolution.
Our Experts

P.R.I.M.E. Finance’s great strength lies in the knowledge and experience of the legal and market experts in its ranks, an offering which currently includes close to 250 of the most prominent individuals from the world of finance and financial markets law. Our Panel is unique in bringing together independent and multi-jurisdictional expertise in relation to complex financial transactions.

Governance Structure

The P.R.I.M.E. Finance Foundation’s Advisory Board is chaired by Jeffrey Golden KC (Hon), Founder and Chair Emeritus of the P.R.I.M.E. Finance Foundation.

The Management Board is chaired by Robert G. Pickel, Affiliate, Rutter Associates LLC (New York) and former Chief Executive Officer, Executive Vice Chairman and General Counsel, ISDA.

Cooperation with Permanent Court of Arbitration

The PCA is the world’s oldest arbitral institution, with over a century of experience in administering complex international proceedings. P.R.I.M.E. Finance joined forces with the PCA in 2015, thereby combining the subject matter expertise of its Panel of Experts with the PCA’s efficiency in administering arbitrations. As a result, arbitrations and mediations under the P.R.I.M.E. Finance Arbitration and Mediation Rules are administered by the PCA, and parties to complex financial transactions have access to an efficient arbitration and mediation mechanism to resolve their disputes. While the filing address for notices of arbitration and mediation is with the PCA at its Peace Palace headquarters in The Hague, arbitrations may take place anywhere in the world, and may be facilitated by the PCA’s host country agreements with a number of its Contracting Parties.

In addition, under the P.R.I.M.E. Finance Arbitration and Mediation Rules, the Secretary-General of the PCA acts as appointing authority for P.R.I.M.E. Finance in cases where the parties cannot agree on the appointment of arbitrators. The Secretary-General of the PCA serves on the P.R.I.M.E. Finance Advisory Board.
FRIENDS OF P.R.I.M.E. FINANCE

Dear Conference participants,

We are delighted to welcome you to P.R.I.M.E. Finance’s AGM. It is wonderful to have you all here to celebrate our 10th annual conference.

Since we last met in The Hague three years ago, the P.R.I.M.E. Finance staff, Management Board and Advisory Board have remained focused on the mission of P.R.I.M.E. Finance and dedicated to making a continued impact in the global finance market. Escalating geopolitical tensions, the challenges of climate change, and rising inflation all threaten global stability and the global financial system. In the face of all this, we believe that P.R.I.M.E. Finance – with its goal of reducing legal uncertainty and systemic risk and fostering stability and confidence in world finance - is more critical than ever.

For the past ten years, P.R.I.M.E. Finance has made its mark on the world of complex financial transactions and dispute resolution. Our Panel of Experts now numbers more than 250 of the best legal and financial minds from across the globe, and we have implemented programs that are constantly improving the market and those involved in it.

To date, P.R.I.M.E. Finance and its experts have conducted 22 bespoke judicial training programmes in 12 jurisdictions across five continents seeking to provide judges greater knowledge of complex financial products so that they have the tools needed to render effective decisions. Upwards of a thousand members of the judiciary have participated, with speakers described as “the best team I’ve ever seen in a training” (Romania National Institute of Magistracy), and the programme as “very worthwhile” (Supreme Court of Delaware) and “highly informative” (Singapore Board of Judicial Learning). This award-winning programme is only one example of the essential work P.R.I.M.E. Finance is doing all over the world. You will get to see firsthand during the course of the conference the type and range of education our organization provides.

P.R.I.M.E. is dedicated to continued growth BUT this is only sustainable with continued support from our Experts and Friends.
We are grateful for the commitment to P.R.I.M.E. Finance and our mission that you have demonstrated by being here. Please also take the extra step of supporting P.R.I.M.E. Finance financially through our Friends of P.R.I.M.E. initiative. The support you provide will go to fulfilling our mission, including programmes like our judicial training that have already made a lasting impact. With your help, they will continue to do so.

For your convenience, we have included contribution forms with your materials as well as a scannable QR code for you to donate virtually. One form is for contributions in euro to our Dutch foundation; the other is for contributions in dollars to our 501(c)(3) tax-exempt non-profit. Our staff and members of our Boards will be more than happy to assist you and to answer any questions.

Thank you for joining us in The Hague this year. We look forward to welcoming you into our Friends of P.R.I.M.E. community.

Sincerely,

Joe Bauman
Treasurer and Management Board, P.R.I.M.E. Finance Foundation; Chair and Treasurer of PRIME Finance Dispute Resolution and Education Foundation.
