**P.R.I.M.E. FINANCE NEW YORK CONFERENCE 2025  
CONFERENCE PROGRAMME**

**Thursday, 30 October 2025  
White & Case LLP**

**Ripple Effects or Sea Change?**

**Implications of an Active Year in the Markets**

Tariffs on. Tariffs off. Evolving treatment of cryptocurrency and stablecoins. Tax reform and incentives. Interest rate increases and major currency shifts. Rising fiscal deficits. Inflation. Continued geopolitical upheaval and strife.

These are some of the major developments that have occurred in 2025 which are having, and will continue to have, knock-on effects in the international financial markets. This conference will gather [P.R.I.M.E. Finance](#) financial and legal experts and other thought leaders to discuss the implications, both direct and indirect, of these significant changes on fundamental aspects of the international financial and legal environments.

<b>9:30 – 10:00</b>	<b>Registration</b>
<b>10:00 – 10:15</b>	<b>Welcome Remarks</b>
	1. <b>Bob Pickel</b> , Chair of P.R.I.M.E. Finance 2. <b>Ian Cuillerier</b> , Partner, White & Case LLP; P.R.I.M.E. Finance Expert.
<b>10:15 – 10:45</b>	<b>Keynote Address</b>
	TBC.
<b>10:45 – 12:00</b>	<b>Global Markets/ Tariffs and Financial Markets</b>
	This panel will reflect on the increased volatility and uncertainty in global markets that are direct offshoots of changes in economic policy, including higher tariffs, currency fluctuations and rising fiscal deficits.

<b>12:00 – 12:15</b>	<b>Coffee Break / Group Photo</b>
<b>12:15 - 13:30</b>	<b>Cryptocurrency, Stablecoins and Digital Assets</b>
	Cryptocurrency, stablecoins and additional applications of blockchain technology are increasingly taking center stage in the global financial and legal infrastructure. This panel will provide an overview of important policy changes affecting these areas and will consider how markets will evolve in light of those changes.
<b>13:30 – 14:15</b>	<b>Lunch Break</b>
<b>14:15 – 15:30</b>	<b>Sustainability and Capital Markets</b>
	In the face of policies that are less supportive of, or even conflicting with, sustainability goals, markets and the goals of market participants must evolve to address those new policies. This panel will discuss the current state of policymaking in key jurisdictions and the steps that market participants are taking to remain focused on sustainable finance.
<b>15:30 – 16:45</b>	<b>A View From The Bench</b>
	Market volatility can lead to financial distress, and financial distress may lead to disputes that begin in conference rooms and board rooms, and end up in courtrooms, arbitral forums, and other dispute resolution settings. This panel of sitting and retired judges will reflect on current trends in financial disputes and, more generally, offer their perspectives on the current state of the rule of law.
<b>16:45 - 17:00</b>	<b>Closing Remarks</b>
<b>17:00</b>	<b>End of Conference</b>
